Dear Resident Representative,

Our next in-house Walgreens COVID-19 vaccine clinics will be held on **February 4th** and **February 25th** in the SDVH Auditorium. They will be offering the Pfizer vaccine. If your loved one received the first dose of the vaccine on Thursday, January 14th, they will receive their second dose on Thursday, February 4th unless their household is on quarantine. If they are in a quarantined household, your loved one will receive their second dose on Thursday, February 25th.

If your loved one did not receive the COVID-19 vaccine at the previous clinic but would like to receive it, please encourage them to let their Resident Care Coordinator (RCC) know. RCCs and the households they serve are listed below. As a reminder, the vaccine is optional but will be available to any resident or staff that would like it.

- Nasa and Stars & Stripes – Wendy Brehe – Extension: 1500219
- Veterans Lane and Old Glory – Jenny Hayashi – Extension: 1500444
- Custer and Joe Foss – Natalie Hooper – Extension: 1500229
- South Pacific and JASCO – Susan Stava – Extension: 1500506

Each SDVH household will be scheduled at a specific time (see table below) and residents will be escorted to the Auditorium by staff. After receiving the vaccine, they will be monitored in the Auditorium for fifteen (15) minutes before being escorted back to their household by staff.
